**Treatment that Protects**  
**Your Screen Protector**

- Glass Anti-glare is 5X more protective than an unprotected screen.
- The anti-glare matte finish keeps direct light from reflecting off your device's screen.
- A smudge-free coating protects from fingerprints and makes wiping dirt away simple.
- Glass Elite Anti-Glare contains anti-microbial properties that protect the screen protector by protecting against degradation from microorganisms.<sup>3</sup>
- EZ Apply® tabs and a drop-in installation tray make applying your Glass Edge simple and accurate.
- The anti-static solution prevents dust from the air from being absorbed onto the adhesive side of the glass, ensuring a smoother installation process.
