

## charge stream™ pad+

Universal wireless charging pad with Apple and Samsung Fast Charge.  
Optimized for Apple, Samsung, and other Qi-enabled smartphones.

### FAST CHARGING

Delivers the right amount of power to your phone to ensure the fastest charging speeds. Also supports Apple and Samsung fast charge.

### CHARGES ON CONTACT

Simply place your phone on the Charge Stream Pad+ and charging begins instantly. The LED will illuminate to indicate charging.

### CHARGE THROUGH LIGHTWEIGHT CASES

Power can even be sent through most lightweight cases.\*

### NON-SLIP RUBBERIZED COATING

Rubberized top pad protects the phone from scratches and provides a stable surface to quickly drop and charge.

### Key Selling Points

- Wirelessly charges Apple, Samsung, Motorola, LG, other Qi-enabled smartphones, and mophie cases with wireless charging.
- Minimal, low-profile design fits perfectly whether you choose to charge at home or the office.
- Rubberized top pad provides a non-slip grip and protection from scratches, ensuring that the phone stays in place to maintain a continuous connection while charging.
- Die-cast metal inner structure creates a stable, sturdy platform that stays where you put it—just drop and charge.

Universal wireless charging.
