- Glass Elite is 5x stronger than traditional glass screen protection.<sup>1</sup>
- Aluminosilicate glass is strengthened with ion exchange technology for greater strength and scratch-resistance.
- The ClearPrint™ surface treatment disperses the oil from your fingertips, making them nearly invisible when your screen is turned on.
- Glass Elite's reinforced edges prevent chipping and stop cracks from starting and spreading.
- The surface of Glass Elite screen protection has the same silky, smooth feeling as your phone's original screen.
- Glass Elite is engineered to be compatible with most advanced biometric scanners.
- Glass Elite is made with up to 30% post-consumer recycled glass.<sup>2</sup>
- Glass Elite is made with up to 30% recycled glass, its installation tray is made from 100% recycled content, and its packaging is 100% recyclable.
- With recyclable packaging made from 100% recycled materials, Glass Elite has been certified by FSC, an organization working to protect healthy forests.
- Glass Elite contains anti-microbial properties that protect the screen protector by inhibiting the growth of odor-causing bacteria and guarding against degradation from microorganisms.
- The EZ Apply® tabs and an installation tray help ensure perfect alignment.
- If your InvisibleShield ever gets worn or damaged, we will replace it for as long as you own your device.
